A DYNAMIC THRILLER!

The book 'While Out of My Body, I saw God, Hell and the Living Dead' is a masterpiece of work! Upon every bone-chilling page within the book, the author conducts a horrific and realistic tour within the Outer Darkness of Hell. The book unveils the mysteries of death. The reader gets a face-to-face encounter with the Almighty God, as well with his archenemy: Beelzebub (Satan-The Devil). Each chapter opens another door of horror, which guarantees one to contemplate the error of his or her ways. The reality check is shocking! The journey begins with unearthly and unimaginable severe torture chambers, which include diabolic types of torments for its lost and damned prisoners. The perpetual tour crisscrosses and zigzags through the many doors in the Godforsaken kingdom of the Outer Darkness of Hell. The author encounters answers to many unanswered questions, which most people may have about God and the afterlife, thus conveying some ancient Biblical mysteries, such as what happened to the trees of the Garden of Eden, the origins of evil spirits, and most of all the book reveals the fate of sinners, the unrepentant-ungodly-nonbelievers, backslidden Christians, and much more. Having read the book, I was convinced that the author had a supernatural encounter that is of no comparison to anything that I have read, seen, or heard on the subject matter. "While Out of My Body, I saw God, Hell and the Living Dead" is the most interesting book that I have ever read on the reality of Hell. This book is an absolute confirmation to Biblical scripture. The book has changed my life for the better and it is a must read for all. I highly recommend this God sent eye-opener!

Astounding Tour of Hell

Excellent book. Has amazing, eye-opening details. It is the most comprehensive, realistic tour of hell I have ever read. I believe it is a must-read for every person, every age. Everyone should have a chance to find out the severity of sentence that could happen if you are unrepented or back-slidden or just ignorant, and read all of the surprising reasons you could be eternally damned. Earth torture chambers pale in comparison. Also, some amazing information on hell throughout the history of time, with some biblical mysteries answered you may have wondered about. All in all, this book is a fantastic (and terrifying) journey into known and unknown regions of hell.

Shocking and True!

Excellent book, a dynamic thriller and a must read for everyone. 'While out of My Body, I Saw God, Hell and the Living Dead' is both the most exciting and eye opening book that I have ever read on the reality of Hell! The author takes his readers through his horrific tour of the terrible tortures and torments that await those that reject God and his commandments. This book also finally answers many of the age-old questions that humanity has been asking since the beginning about God and the after life. You will be surprised to learn, as I was, the reasons why some people we think should go to Heaven, in fact are on their way to Hell! This book 'SCARED THE HELL OUT OF ME' literally, with the truth of the things he saw in Hell, which are confirmed by the Word of God! In conclusion, I highly recommend this book. It was a tremendous eye opener!

THE NATURE OF THIS BOOK:
GOD TOLD ME TO WARN THE GODLY AND THE UNGODLY ABOUT THE DANGERS OF
THE OUTER DARKNESS OF HELL

*To all of those whom might read this book, it is my desire to sincerely express the true content of this book which is entitled **“WHILE OUT OF MY BODY, I saw God, Hell and the Living Dead.”** On October 5, 1998, the Lord God Almighty appeared to me in human form, and He said to me, “I’ve come to talk to you about the Outer Darkness of Hell, and I want you to talk to others about the Outer Darkness of Hell.” He told me that He would manifest himself to me. The Lord-God Almighty said that He would allow me to see him just as Peter, James and John did, hours before his crucifixion, and days after his resurrection. When I saw Him, I did not fall down, as certain preachers suggest that I should have done. Neither did the disciples when they saw Him hours before He was crucified, and days after the resurrection.*

Jesus appeared to the disciples:

(Matthew 28:16-20; Mark 16:14-18; Luke 24:31; John 20:19-23; Acts 1:6-8)

I said to God Almighty, “People will not believe me when I tell them that I saw you”. The Lord God said to me, “There will be certain people, some of whom will be preachers, the same will try to oppose this account. Some will believe and some will not, but for those who will not believe, tell them that I have said it is written in my Holy Word ‘I will manifest myself to those who love me.’”

“He that hath my commandments, and keepeth them, he it is that loveth me: and he that loveth me shall be loved of my Father, and I will love him, and will manifest myself to him.”

St. John 14:21 KJV

This prepared work is not to be perceived as a biblical addition to the Holy Bible, nor is it my intent to subtract from any popular interpretation of the holy scriptures, although the book does contain some scripture references. Since this is in fact the case, I caution the reader not to allow the biblical references to become legalistic, but to receive them as Almighty God’s fundamental truths by which the entire Church is to operate.

The inspiration of this book is not a result of dreams or visions. Rather, it is a written documentation which consists of my D.O.B.E. (Death-Outer-Body Encounter) with the Lord-God Almighty and the Living Dead, while out of my body in the Outer Darkness of Hell. This book contains spiritual truths as Almighty God revealed them to me, while dead and out of my body (October 5, 1998).

Dr. R. Mills

Please note:

This is not the complete written account of my death and Outer-Body Encounter which I did experience in the Outer Darkness of Hell. Some of the details were left out of this recorded document due to the fact that some of the written material was too graphic in nature and too horrific to reveal. It was of an excellent decision that I would remove certain facets from this written report. If kept in, those details may have brought pain and shame upon the surviving family members of the living-dead, whom I reference in this book as a result of seeing and speaking with them in the Outer Darkness of Hell.

I have given numerous of these books away to inmates in jails and prisons. It has never been my desire to write books and sell them for profit. My motive for selling this book is that I may save souls, and any finances generated as a result of selling this book will be given toward the production costs, such as publishing, printing and distribution of this book. This book is printed in other languages, and it took finances to translate it. Also, any monetary compensation received in regards to this book, pays for the expense of travel that may occur for public speaking engagements in relationship to this book. The bottom line: the sole purpose of this book is not to create self-financial gain, but to reach the lost at all costs.

*“I have raised him up in righteousness, and I will direct all his ways: he shall build my city, and he shall let go my captives, not for price nor reward, saith the LORD of hosts.”
Isaiah 45:13 KJV*

DEDICATION

I dedicate this book in the precious memory of my beloved Mother, Mary Schankle, who is alive and conscious at this very moment within the third heaven.

This book is dedicated to all the lost souls of whom I saw and talked with in Hell.

I am very thankful for my Prophetic Outpour Church family and staff who have labored with me profusely through this prepared work. I love you so much, and you are continuously in my prayers.

*Love Always,
Dr. R. Mills*

FOREWORD BY MARY KATHERINE BAXTER

**Author of the books "A Divine Revelation of Hell"
and "A Divine Revelation of Heaven"**

Hello everybody, I am Mary K. Baxter. I authored the books, *A Divine Revelation of Heaven*, and *A Divine Revelation of Hell*, which is a best seller. Dr Mills is truly a man of God and the Lord Jesus has given him a book to write...a great book! I just want to say to you, when his book is released, you are going to know that he truly is a man of God.

God showed him so many things, [including] the future dead and other things. I saw Hell and many of the things Dr. Mills saw, I saw, but in a different section of Hell. I am here to say a blessing upon him and the writing of this book, that it will reach thousands of souls all over the world.

God has raised up a confirmation of what I saw...a confirmation of Hell. I want you to buy Dr. Mills' book and I want you to know that he is a man of God...a prophet of God that has blessed my life and he will bless your life.

He truly saw Hell, and was taken there by the Lord Jesus Christ. He saw the future dead, he saw things the Devil had stole from us, he saw much wisdom that we in the world need today, and it's a great confirmation to what Jesus Christ revealed to me about Hell.

The name of Dr. Mills' book is "While Out of My Body, I saw God, Hell and the Living Dead." That is a great title, and you are going to have to buy Dr. Mills' book. It will be the best seller in all the world. Amen.

A PROPHETIC MESSAGE FROM THE LORD GOD TO ROGER

Almighty God spoke to me on Wednesday, August 12, 1992, at 10:20 AM and he gave me a message.

This is what he said:

“I’VE COME TO TALK TO YOU ABOUT MY COMING. I AM GOING TO GIVE YOU A SIGN CONCERNING MY COMING. THE SABBATH DAY, KEEP HOLY ON THE SABBATH DAY FOR EVERY DAY SHOULD BE THE SABBATH DAY TO YOU. YOU SHALL WRITE A BOOK, YOU SHALL HAVE A BOOK OUT ABOUT THE TIME OF THE RAPTURE AND ABOUT TIME THAT THE BOOK IS OUT IN CIRCULATION THE RAPTURE WILL BE NEAR. THE RAPTURE WILL COME AND I WILL TAKE THE CHURCH HOME...THE GOSPEL WILL BE PREACHED IN ALL NATIONS. THEN SHALL THE END COME.”

INTERPRETATION OF THE MESSAGE

In reference to the return of my Lord and Savior, Jesus Christ, let me hasten to say that I am not a date setter. I strongly believe that no one knows the day or exact hour that the Lord God-Jesus shall return for his Church, although Jesus did state in the book of Matthew that we would know when it was near.

“So likewise ye, when ye shall see all these things, know that it is near, even at the doors.” – St. Matthew 24:33 KJV

It is out of good conscience that I mention those words that the Lord–God Jesus audibly uttered to me in respect to this book. In 1992 the Lord God-Jesus said to me that I would write a book, and that the written book would be my personal sign from Him, which will indicate that His coming is near. How near? I do not know. Maybe He meant many years into the future, but He did tell me that it would be during the distribution period of my book, and I personally plan to have the book in print as long as I am alive. Only God knows the exact time when his return shall be. Let me caution you that you should be ready at all times for Jesus to return.

“Therefore be ye also ready: for in such an hour as ye think not the son of man cometh.” – St. Matthew 24:44 KJV

“Watch therefore, for ye know neither the day nor the hour wherein the Son of man cometh.” – St. Matthew 25:13 KJV

INTRODUCTION

ST. PAUL'S POSSIBLE OUTER-BODY EXPERIENCE

“It is not expedient for me doubtless to glory. I will come to visions and revelations of the Lord. I knew a man in Christ above fourteen years ago, (whether in the body, I cannot tell; or whether out of the body, I cannot tell: God knoweth;) such an one caught up to the third Heaven. And I knew such a man, (whether in the body, or out of the body, I cannot tell: God knoweth;) How that he was caught up into paradise, and heard unspeakable words, which it is not lawful for a man to utter.”

- THE APOSTLE PAUL

2 Corinthians 12:1-4 KJV (King James Version)

Holy greetings unto all of you who are reading this book. I am a television personality. Many of you may recognize me from seeing me on national television. I host a television program from my television studio in the city of Detroit, Michigan. To some I am known as a Prophet of God, and to others I am a Pastor. This one thing I want you to know for sure about me, that I am just a converted sinner who is serving God to the best of my ability, with a with a pure and a whole heart. On Wednesday, August 12, 1992, at 10:20 AM, the Lord God appeared to me and He spoke in an audible voice and told me that I would write this book. I had no idea that it would take years of preparation and gathering all the biblical facts to write the manuscript. It took a year to put it on paper. The writing of the manuscript was completed in 2000. I had no interest, none whatsoever, to write a book. As a matter of fact, He used other persons to tell me I should, in order to help motivate me to do so. One person in particular is my dear precious sister in Christ, Mary K. Baxter, the author of the best selling book entitled, “A Divine Revelation of Hell.” The Lord God prepared me to write this book when I was just a teenager. In 1980, I had my first encounter with seeing Hell. Almighty God took my spirit out of my body and placed me in a pit inside of Hell for two minutes.

Introduction

While conducting an interview on my television program with my guest, and good friend, Grammy winner, Usher Raymond, I asked him this question: "If you had your own television talk show and you could interview God as your guest, what would you ask God?" Usher's answer was, "Am I going to Heaven?"

There has been much talk on Outer-Body Experiences, and many people have laid claims to having them. A gallop poll was conducted during the early 1980s. The survey showed that many Americans express their beliefs of the afterlife. Amazingly, 71% of those surveyed professed that they believed in Heaven, while only 21% believed in Hell. Amazingly, 67% of Americans surveyed conveyed a strong belief in life after death. In the January 31, 2000 edition of Newsweek magazine, a poll showed that 64% of those surveyed believe in Hell, while 25% did not believe in Hell. 9% said they did not know if Hell existed.

After reading and studying Dr. Moody's book entitled, "Life after Life," I realized that in his book he gives numerous accounts of people who have had an N.D.E. (Near Death Experience). I was left with the impression that everyone he interviewed who had a N.D.E., O.B.E. (Outer-Body Experience) or D.O.B.E. (Death-Outer-Body Encounter), either saw Heaven or went to Heaven. Dr. Moody purports that none saw Hell, which is a well-unbalanced survey. Hell is just as real as Heaven. It is sad to think that so many people shun the idea of the place called Hell, but with open arms embrace the idea

While Out of My Body I Saw God Hell and the Living Dead

of Heaven. Hardly anyone wants to go to Hell, but everyone wants to go to Heaven with little or no prepared work at all to get there. Jesus, the God of the New Testament scriptures spoke numerous times on the subject of Hell and all those of whom will go.

“But I say unto you, That whosoever is angry with his brother without a cause shall be in danger of the judgment: and whosoever shall say to his brother, Raca, shall be in danger of the council: but whosoever shall say, Thou fool, shall be in danger of Hell fire.”
St. Matthew 5:22 KJV

“And thou, Capernaum, which art exalted unto heaven, shalt be brought down to Hell: for if the mighty works, which have been done in thee, had been done in Sodom, it would have remained until this day.” – St. Matthew 11:23 KJV

I want to talk about my death and outer-body encounter. It was during that time, I saw God. I have been telling this story about my Death-Outer-Body Encounter for years, right from the day and time it first happened. On this occasion in 1998, Almighty God appeared to me and He told me that He came to talk to me about Hell, and He wanted me to talk about Hell to other persons. He stated that He wanted to take me back to Hell, this time by removing my human spirit and soul from my body for three hours and forty-five minutes. He also stated that He would reveal to me another side of Hell called Outer Darkness. However, before I tell you about my Death-Outer-Body Encounter which led me on a journey into Hell, I want to let you know that seeing Almighty God in 1998 was not my first time, so it did not come as a surprise. I have seen God on two different occasions prior to my visitation from him in October of 1998. The very first time was in October of 1988. The second time was in December of 1992, and obviously, the third time was in October of 1998.

On October 5, 1998, at 9:45 A.M., it was at that time Almighty God appeared to me and told me that He had come to talk to me about Hell, and that He wanted me to talk to, and warn, others about this place called Hell. He told me He was going to let me see him in

Introduction

greater depth...greater depths as when I saw him in 1988. He also told me that He wanted to show me a greater depth of this place called "Hell," a much different side of Hell than when I saw it in the year of 1980.

Parents, if you are reading this book to your children, I hope that you read it with caution and understanding. The things that I have written about are things that Almighty God showed me by his Holy Spirit. Though these things may be disturbing, horrible and upsetting, I am sorry to say, but I have to say, they are all the truth. Almighty God took my human spirit and soul out of my body and let me see him face to face. God let me see by his Holy Spirit, 175 rooms in Hell. He showed me the pits of Hell. He showed me flames of fire and the fires of Hell. He showed me the Lake of Fire, and He also showed me certain individuals tormented in Hell by flames of fire. He showed me demons and familiar spirits. He also let me see the fallen angel Lucifer, who is also known as Satan and the Devil, and is referred to by some scholars as Beelzebub. In the Biblical world of which we live in, better known as the Christian society, he would probably be best known as Lucifer the fallen cherubim. Almighty God showed me other spiritual truths that are going to take another book to contain them all. The Almighty God told me that this book would be published and that it would reach many people of different nationalities. God told me that it would get the attention of certain persons. He showed me a room called the Room of the Future Dead. He let me talk to and see persons who have not died yet, who are still living on earth. He took me and showed me the future to let me see many of those who will die, that He did not want to die and go to Hell. He described them as the people of the Future Dead. Almighty God told me that He has called me into his ministry and has anointed me to be one of his prophets. He said I would see many visions, and that He would reveal many things to me by his supernatural power. He said that I would possess supernatural knowledge about people, as his Holy Spirit would enable me to. He also said He would show me major national and international events before they happen on earth. Most importantly of all, He told me He had called me to be a witness on the behalf of his Holy Kingdom and to turn people's hearts toward him. Since I had my Death-Outer-Body Encounter with Hell in 1998, God has allowed all these things to come to pass in my life. I have seen many visions and revealed to many people personal things about their lives. As well, I have prophesied many national and international events that have come to pass, all by the Spirit of God.

INTRODUCTION TO HELL: MY FIRST ENCOUNTER

In September of 1980, I had just come home from school, extremely exhausted. I remember climbing the stairs to my room in our four-bedroom apartment in East Spencer, North Carolina. I was so tired that I laid my books on the floor beside my bed just as I jumped in to take a nap, which was customary for me to do after school, but this was no ordinary nap. As soon as I put my head down on my pillow to go to sleep, I was consumed with a sensation of being pulled out of my body. I remember taking hold of my bed sheets with both hands, trying to stabilize myself, but it did not stop that pulling sensation. I felt myself leaving my body and going straight through my bed, heading downward. The sensation is best described as being on an elevator when it goes down and your stomach drops. That is exactly how I felt, and as I was falling downward, sliding on a concrete road, everything began to turn black.

There was no light...no sound. Then I instantly felt myself sliding on my stomach. The feeling was as though I was sliding on concrete or rock, with my hands stretched forward as if I were swimming. I slid into a pit, similar to an underworld coalmine, where it was pitch black and cold. I began to see a little flame of light that seemed to be emanating from the bottom of the pit where I was laying. I observed my surroundings as I lay in the pit. It also reminded me of a cave. This place housed my entire spirit-body. I felt as though I was inside a rock coffin. While lying on my stomach with my face down toward the ground, I noticed that my hands and my arms, to my amazement, appeared to be made of dingy white smoke. Then I began to examine my whole body. It was then I realized that I was looking at my human spirit and soul! This was not a dream! At the time, I wished it had been a dream. I began to scream and call out to my family and my brothers to help me. The louder I screamed and yelled for help, the more my cries for help echoed back to me in the pit.

While in thought, I said to myself, "Roger, you're dead!" There were no signs upon the entrance to Hell saying *Welcome to Hell*, yet I knew in my human spirit that is where I was. I knew that I was in the company of hideous, evil, demonic, deformed, unexplainable and scary-looking creatures. I could sense an evil presence all around me as I lay there.

The pit was about three feet wide and five to six feet long, made of solid rock all the way around. I realized that I had died and was in Hell, and there was no chance of ever getting out. I began to call upon God. I screamed, "God, please help me!" Repeatedly, I called out to God, but there was no answer. In darkness I lay, saying to myself, "What have I done that was so horrible that it caused God to send me to Hell?" Just then, I heard words that were not my own. They sounded just like a man's voice. The voice said to me that I was a stingy person and that I was very mean and very selfish. The voice continued to say that I was rude to other people. Then all of a sudden, I began to see through that rock-wall like looking at a television screen. It was a life-review vision of everything that I had ever done during my lifespan on the Earth. I saw the times that I lied to my parents and told lies on my brothers. I saw when I did things to hurt my friends, and the expressions of pain and hurt on their faces. I could even feel their pain.

I saw on one occasion, the time my brother Tony and I watched my brother Bernard and my cousin Mark mutilate a dog when we were kids. Although the dog did live, I saw them cut its tail off, and we were laughing. Having seen my past sins, I realized it was for those reasons I had died and come to Hell. I made one more attempt to pray to God, and I said to him, "God, please help me! I am sorry for all the bad things I have ever done!" I told him that I was sorry for lying to my parents, lying on my brothers, hurting my friends, and for tormenting that little dog. I began to weep bitterly, pleading to God to forgive me, and asking him to let me out of the pit.

Then suddenly, a burst of light and energy came inside the pit and sucked me up instantly. I felt myself floating up as I began to see light. As I continued to look, I noticed it was the sunlight shining through my bedroom window. I saw my body as it was laying facedown on my bed, and the unseen force pushed me toward my body. I saw what I looked like from behind for the first time without a mirror. I saw all the furniture in my room.

While Out of My Body I Saw God Hell and the Living Dead

A week prior to my Death-Outer-Body Encounter, a friend of mine in school let me borrow a white ink pen, and I had been looking for that pen for exactly a week. I was not able to find it. As I was coming back to my body, seeing the sunlight shining through the window, I began to see all around my bedroom with incredible vision. It seemed as if though I had panoramic sight. I remember looking down at the floor where I saw my schoolbooks. Then, with this enhanced vision I was able to see completely under my bed. I was very amazed at what I discovered. Seeing with my spirit eyes, there lay my friend's white ink pen that I had been looking for. Instantly, the unseen force began to pull at my spirit, and I was back in my body. I jumped up off the bed, and to prove I was not having some terrible nightmare, I got on the floor and looked under my bed. Sure enough, there was the white ink pen. While there on the floor, I began praising and thanking God for not leaving my soul in Hell.

I did not tell anyone about my Death-Outer-Body Encounter. Many weeks had passed, and I began to meditate on my 'Hellish' experience, which led me to question God about my trip to Hell. I had just been saved in June of 1979! So since I was a Christian, I did not expect God to send me to Hell. I prayed to God and I asked him, "Why me? Why did you wait so long to send me to Hell?"

I did not expect God to answer my prayer so quickly. To my surprise, He answered me immediately in what seemed to be an audible voice. He said, "Roger! I did not send you to Hell because you were a sinner. The reason why I sent you to Hell was on the behalf of sinners. I wanted you to be a witness on my behalf. Therefore, I allowed your human spirit and soul to be taken out of your body for two minutes and placed inside a pit in Hell, so that you would know for yourself that Hell really does exist. I want you to tell people of every race that you have seen Hell, and warn them to repent from their sins. Tell them that Hell is a horrible place of torments. Tell them to give their lives to me before it is too late. I have chosen you to be my witness to warn many people about the horrors of Hell."

After hearing God's voice, I was frightened; I needed somebody to talk to, so I turned to my brother Tony, and I explained to him how I had just heard God's voice and that He was talking to me. I told my brother that God said to me that He had chosen me to be a witness on

his behalf. As I told this to my brother, he immediately believed me and became frightened as well.

What is a witness? A witness is a person who has gathered facts or gained firsthand information concerning a subject or a certain situation, and that is exactly what I experienced. I've seen with my own eyes, this place called Hell, and I learned why certain people go to Hell for all types of reasons one may not expect or have heard of. Although you will hear me explain this and much more about my second journey to Hell in 1998.

CHAPTER ONE ENTRANCE INTO HELL

On October 5, 1998, I remember glancing at the clock in my one bedroom apartment in the city of Roseville, a suburb of Detroit, Michigan. The time was 9:45 A.M. As I was lying in bed, meditating on the angelic presence of God, and under the inspiration of the Holy Spirit, I felt the manifested presence of God. As I said before, I am not a stranger to the presence of God because my human soul and spirit have left my body on three different occasions, and at each time, I immediately was able to discern the divine presence of God.

God said out of his own mouth -

“The gatekeeper opens the gate for him, and the sheep hear his voice and come to him. He calls his own sheep by name and leads them out.” – St. John 10:3 NLT

“And when he putteth forth his own sheep, he goeth before them, and the sheep follow him: for they know his voice.”

St. John 10:4 KJV

“And a stranger will they not follow, but will flee from him: for they know not the voice of strangers.” - St. John 10:5 KJV

This is what God had said to me, referring to every person that puts their trust in Him: he or she will be able to recognize His divine, holy presence, and will be able to hear His voice any way He chooses to speak to them. As I stated earlier, on certain occasions I have heard the voice of Almighty God when He had spoken to me in times past. It was that same voice I heard when I had my first Death-Outer-Body Encounter in 1980. On that cold October day of 1998, when God appeared to me in my bedroom, He spoke in plain English. I could only hear Him, but was not able to see him during the time He was talking to me. God spoke to me, and He said, “I have come to talk to you about Hell.”

Then He said to me, "I want you to begin talking to others about Hell." I said, "God, I have been talking, preaching and teaching on the subject of Hell for almost 20 years!" Then God said to me, "I know, but this time I am going to give you something to talk about!"

God continued to say, "I will manifest myself to you. I will let you see me in greater depths, as you first saw me in 1988. I will allow you to see me just as Peter, James and John did, hours before my crucifixion and just moments after my resurrection." Then God said to me, "I want to show you a different part of Hell which is Outer Darkness. I've come to talk to you about the Outer Darkness of Hell, and I want you to talk to others about the Outer Darkness of Hell. The Outer Darkness of Hell is located in the Second Heaven, which is the exit from where I have prepared a place for you and all of those who put their trust in me. That place is the Third Heaven. I will let you see a portion of the Third Heaven when your tour of the Outer Darkness of Hell is complete. I will say to you once more, the Second Heaven is where the Outer Darkness Hell is this present day and hour. Only a few people alive on Earth have seen this side of Hell. Many priests, pastors and preachers in general, who are alive on the Earth...I want to show them as well, this particular part of Hell that I will soon allow you to see. I am going to take you inside the Outer Darkness of Hell, and let you see the horrible torments and punishments that await those who willfully reject me as their Almighty God and Savior. There will be some people who will try to oppose this account. Some will believe and some will not, but for those that will not believe, tell them that I have said in my Holy Word that for those who love me, I will manifest myself to them."

"He that hath my commandments, and keepeth them, he it is that loveth me: and he that loveth me shall be loved of my Father, and I will love him, and will manifest myself to him."

St. John 14:21 KJV

Then the Lord God said to me, "I want you to be a true eyewitness about my real existence and the existence of the place called the Outer Darkness of Hell and its horrible punishments. Tell people that you've seen me and tell them that you have seen portions of Hell." I asked God, "Why have you chosen to take me to Hell, and not the other preachers?" God answered, "Because you are available and they are not. Not all, but most of my preachers that are serving me

here on Earth, are committing sin in their lives. They think that nobody knows about it, but I know all things. A part of the reason why I will allow you to go into the Outer Darkness of Hell is so that you can see the horrible punishments and torments which await the hypocritical and unrepentant preacher when he or she dies. You will be able to warn those who preach and teach my Holy Gospel.”

I wanted to tell the Lord God that I didn't want to go Hell. In 1980, when I first traveled to Hell and came back to Earth, I made a vow to myself that I would never go back to Hell under any circumstances; my first encounter with Hell was a horrifying one! Before I could get the words out of my mouth to tell God that I did not want to go, I felt my human soul and spirit being pulled out of my body. At the snap of a finger—it seemed just that quick—I was standing beside my bed in spirit-form. I immediately examined my spirit-form, and then I looked over at my body. I saw my body sitting up in bed, and then I watched as my body fell backwards toward the bed! I watched as my head hit the headboard.

Then suddenly in amazement and awe I saw a bright white light which took on the shape of a man, walk through my bedroom wall. I watched as the light appeared in front of me. The light dimmed, and a human form in the shape of a man was apparent.

It was at that exact moment when I saw the Almighty God in my bedroom. I was speechless! I was frightened and excited at the same time, as I quickly examined God with adoration. I must say, I am not able to give you a complete description of His makeup because words cannot describe the beauty of Him, but I will do my very best to try. Tears fill my eyes each time I tell people that I saw God. Then God said, “Look at me. I am the Almighty God, the Savior of the world and the One who created the Heavens and the Earth, things that are seen and are not seen. All things were created by me.”

God continued to say, “I've come to let you see me just as the twelve disciples did, hours before my crucifixion and days after my resurrection. I want you to tell people you have seen me. For this purpose were you born: to be an eyewitness of my true existence. I am sending you as my prophet and messenger. I will give you a sign that I have chosen you; the sign is that you will reach many people outside your own race and nationality, and the gifts of my Holy Spirit will operate through you. You will possess supernatural knowledge

about certain individuals. I will reveal to you certain facts and secret things that are in the hearts of many people. This will be my sign to you and many others that I allowed you to see me, and gave you this great insight about the Outer Darkness of Hell. I want you to tell the people that I have allowed you to see me and that I am soon coming to judge the world, and tell them that I love them very much. Also tell them that I do want them to know what happens to a person after they die." I watched as the Almighty God turned his back toward me, and then faced me again. Then He held out his hands and said, "Touch me."

Therefore, I did stretch forth my left hand and touched His right arm, and to my surprise, He was solid and very much physical. As God stood before me, He had a smile on his face. While looking into my eyes, He spoke and said to me, "Roger, you are dead, but don't worry. Your brain, your heart and your blood will be preserved in your physical body." Having heard God say this, I glanced once more at my lifeless body lying in the bed. The truth of the matter was I did not feel dead! I felt very much alive and very much at peace. Also during that moment, I felt more safe and secure than I have felt in my entire life. Unexplainable joy consumed me; I felt an oneness with God.

Then the Lord God said to me, "I have come to take you on a tour through the Outer Darkness of Hell. The tour will last for three hours and forty-five minutes. I will teach and show you about the true existing horrors inside the Outer Darkness of Hell." As I heard God say that to me, just then...at that very moment, I remember feeling the sensation of flying upwards into what appeared to be outer space. I remember the sensation of floating out into the darkness of deep space, first upward toward the sky, and then slowly descending into black darkness until I was not able to see anything. Then God said to me, "We have arrived at the Entrance of Hell." I could not see anywhere around me, but I was able to see the Lord because his body was illuminating light. As I looked at Him, his body and his face had a dazzling appearance. When I looked at Him and I saw his body glowing with white light, immediately a certain verse of the Bible came to mind where Jesus states that He is the light of the world.

"...I am the light of the world: he that followeth me shall not walk in darkness, but shall have the light of life."

St. John 8:12 KJV

The light that was shining from God's body was just enough for me to see the area in which we were standing. I was standing in Hell. My surroundings reminded me of an underground coalmine. The ground was made of black rock, the walls were the same, and the atmosphere that I was in was very dark. I remember standing on what felt like a rocky dirt road, but the rocks were cold. I remember God distinctly; I recall how He looked at me and He said, "I brought you here to show you a different side of Hell than what you are use to hearing certain preachers talk about. I will show you a different area...much different from what I allowed you to see in 1980." Well, I remembered what Hell looked like when I saw it in 1980. My friends, if you have ever had a Death-Outer-Body Encounter and have seen any portion of Hell, you know as well as I do that you will never be able to forget that horrible place.

Then God said to me, "There will be times that I will speak to you in the Aramaic, Hebrew and Greek languages." God began to speak to me in the Hebrew and Greek languages. He said to me, "There are four words that I am going to use that are throughout the Bible to describe Hell. The first is a Hebrew word, *Sheol* [**sheh-ole'**], which is the world of the dead or the grave. This place is where the souls of the ungodly and the godly men and women came when they died centuries ago. The second is Greek—*Hades* [**hah'-dace**], which is the place of departed souls and spirits, or where a sinner goes after death. However, before my crucifixion and resurrection, Hades was divided into two sections that were separated by a large impassable gulf, which I created. The upper right side of Hades was called both Abraham's Bosom and Paradise. The Room of the Cursed is a portion of what once was Abraham's Bosom in Hades. I will allow you to see the Room of the Cursed before your tour comes to an end in the Outer Darkness of Hell. In the cursed Paradise of the Outer Darkness of Hell, it was very pleasant. It had streams of water running through it, and green trees. It looked much like a beautiful well-maintained park. It contained the souls of all of those persons who had died and put their trust in me as God during the Old Testament period, up until the time of the death and resurrection of your Lord and Savior Jesus Christ. All those human spirits that were in the Paradise of Hades [Hell] were very much conscious. They were not soul-sleeping. They were quite alive. After the crucifixion, I spent three days in Hades, preaching to the spirits that were there."

“By which also he went and preached unto the spirits in prison;” - 1 Peter 3:19 KJV

God continued to say, “When all the believers who had died during the Old Testament period saw me in the Paradise of Hades for three days, such as Adam, Eve, King David, Moses, Abraham and thousands of others, they rejoiced. At the end of the three days, I took all of the Old Testament believers and all of those who believed up to the death of your Lord and Savior Jesus Christ, out of Abraham’s Bosom...the Old Paradise that was in Hades. I took them into the New Paradise, which was in the Third Heaven, where they are presently living at this very hour. To this day, the New Paradise is also called Abraham’s Bosom. All of the people that lived during the Old Testament period who would not put their trust in me as their God, when they died, their human souls came here to Hades. They were incarcerated on the lower left side of Hades, where there are many torments and agonizing fires. This portion of Hades or Hell also is called the “Fiery Pits of Hades.” There are many souls burning in the fiery pits this very hour.

The third word to describe Hell is also a Greek word, which is **Tartaros [Tar-tar-os’]**. Tartaros is this portion of Hell that I want you to see specifically. This is the reason why I brought you here to Hell: so you can be a witness to all back on Earth, testifying that there is a place of severe punishments and judgment for those who disobey my Holy Word, which is called the Holy Bible. This place is called the Outer Darkness of Hell. Tartaros has many jail cells. I spoke of Tartaros in my Holy Word. This portion of Hell contains the angels who sexually sinned with the women of the Earth before Noah’s flood. I only mentioned Tartaros one time throughout the entire Bible: in the book of 2nd Peter, the second chapter, verse four.”

“For if God spared not the angels that sinned, but cast them down to Hell [Tataros], and delivered them into chains of darkness, to be reserved unto judgment;” - 2 Peter 2:4 KJV

“These are wells without water, clouds that are carried with a tempest; to whom the mist of darkness is reserved forever.”
2 Peter 2:17 KJV

God continued to say to me, "I also asked my Apostle, Jude, to write about the Outer Darkness of Tartaros in my Holy Book."

"And the angels which kept not their first estate, but left their own habitation, he hath reserved in everlasting chains under darkness unto the judgment of the great day." - Jude 1:6 KJV

NOTE:

For more on the angels which kept not their first estate, see Genesis 6:1 through 6:5.

God said, "The fallen angels that I had Peter to write about are being punished still at this present hour for having laid with womankind as men would do. The fallen angels had sexual intercourse with the daughters of men, which I found to be despicable. In just a short while, I will take you to Tartaros in the Outer Darkness of Hell and let you see the fallen angels who left their first estate, that are bound in chains, awaiting the Great White Throne of Judgment Day, which all the world will witness."

Then God looked directly into my eyes, and said, "I have come to show you the **Zophos [Dzof'-os]** and the **Choshek [Kho-shek']** sides of Hell." He explained, "Zophos is Greek for the English words darkness, blackness and gloomy-surrounding mist. Choshek is a Hebrew word. It is also defined as darkness. As well, it means misery, destruction, death, sorrow and wickedness. I tried to show this side of Hell to many of my other servants, apostles, prophets, evangelists, pastors and teachers, but the reason I am showing you is because you are available."

Then His words became very stern. "My son, what I am about to show and teach you about Hell is a true report, so look, listen and learn. In this side of Hell, it is very dark. I referred to it in my gospel...in my Holy Book, which you call the Holy Bible. There are many souls here in this place. My son, look, listen and learn. What I am about to tell you, then soon show you, is the truth. Many souls are here in Hell this very moment. You will soon hear thousands upon thousands of people crying. Remember what I said in my gospel, in the book of St. Matthew, the eighth chapter and verse twelve."

God quoted -

“But the children of the kingdom shall be cast out into Outer Darkness: there shall be weeping and gnashing of teeth.”

St. Matthew 8:12 KJV

God continued to say, “The fourth word to describe Hell is **Geenna** [**Gehenna - Gheh’-en-nah**] in the Greek language. I want you to know that if anyone living on Earth today, completely rejects the Lord and Savior Jesus Christ, when they die they will be brought down to Hades and be burned in Gehenna, where the fire is not quenched.”

“But I say unto you, That whosoever is angry with his brother without a cause shall be in danger of the judgment: and whosoever shall say to his brother, Raca, shall be in danger of the council: but whosoever shall say, Thou fool, shall be in danger of Hell fire.”

St. Matthew 5:22 KJV

“And if thy right eye offend thee, pluck it out, and cast it from thee: for it is profitable for thee that one of thy members should perish, and not that thy whole body should be cast into Hell.”

St. Matthew 5:29 KJV

“And if thy right hand offend thee, cut it off, and cast it from thee: for it is profitable for thee that one of thy members should perish, and not that thy whole body should be cast into Hell.”

St. Matthew 5:30 KJV

(Also, see St. Mark 9:43-9:47.)

God continued to say, “Gehenna was a public garbage-dumping site that burned twenty-four hours a day for the citizens of Jerusalem to come and deposit their garbage. It was also where the bodies of dead criminals were set on fire. The smell of this garbage pit was horrible, polluting the atmosphere with an unbearable stench. The burning site was located on the outside of the city walls of Jerusalem, in the valley of Hinnom. I talked about Gehenna numerous times in my gospel. I have given the Lake of Fire the name Gehenna, typifying that it burns twenty-four hours a day. It will burn and torment the human souls and spirits of the sinners who have willfully rejected me and my Holy

Word, which you call the Holy Bible. Gehenna is prepared for the Devil, his angels and for any human being that has no desire to love and obey me as their only God.”

“Then shall he say unto them on the left hand, Depart from me, ye cursed, into everlasting fire, prepared for the devil and his angels:”- St. Matthew 25:41 KJV

God cautioned me and He said, “You are going to see persons from every race and from different backgrounds. You are going to see a lot of human souls and evil demonic spirits. There will be times when the demonic spirits and human souls will see you and me. There will be times when the demonic spirits and human souls will not be able to see us. There will be times when the demonic spirits and human souls will only see you, but they will not see me, and there will be times when the demonic spirits and human souls will see me, but they won’t see you.”

I noticed his demeanor changed instantly. His facial expressions portrayed the manifestation of sorrow. He looked at me and said, “My son, there will be times when *you* won’t be able to see me.” He continued to say, “Just because you cannot see me, that doesn’t mean that I am not present with you. I do not want you to think that during the times that you are not able to see me that I have forsaken you. I want you to know that this will not be the case.” He paused, and then He said to me, “Do you remember what I said in my Gospel, in the book of St. John, the fourteenth chapter, verse 27?”

God quoted -

“Peace I leave with you, my peace I give unto you: not as the world giveth, give I unto you. Let not your heart be troubled, neither let it be afraid.” – St. John 14:27 KJV

God continued, “Look, listen and learn, for...

“...Lo I am with you alway, even unto the end of the world...”
St. Matthew 28:20 KJV

Then God said, “Follow me.” As we walked on that dark rocky road, ahead of me I saw a dim light, and in this light, I saw thousands of people standing in front of what seemed to be an entrance to a large room. Although there was not much light, I could still see these

people. You see, I will never forget those people because I stopped and stared at them. It is my nature; I am a person that just loves people. I do not care who they are or what race they may be. I just love people! I began to see all of these thousands and thousands of people jam-packed together, standing in a long line on that rocky road. It seemed as though they were all waiting to check into a hotel.

THE GATES OF HELL

While standing there, my eyes transfixed on all those people, I noticed something else as I looked to my left, then to my right. I saw the biggest and the tallest rusty, black, iron gates that I have ever seen. These gates must have been at least fourteen or fifteen stories high. It had the strangest designs on the front of the gates, which reminded me of snakes. I said to myself, "This must be the 'Gates of Hell' that I read about in the Bible!"

While standing there, gazing up at those gates, a few verses came to mind from the book of St. Matthew.

"Enter ye in at the strait gate: for wide is the gate, and broad is the way, that leadeth to destruction, and many there be which go in thereat:" - St. Matthew 7:13 KJV

"Because strait is the gate, and narrow is the way, which leadeth unto life, and few there be that find it." - St. Matthew 7:14 KJV

"...Upon this rock I will build my church; and the gates of Hell shall not prevail against it." - St. Matthew 16:18 KJV

My eyes began to wander over the crowd again with great fascination. I walked toward the crowd of people until I was amongst them. It was then I noticed that they were people of all races, from every background imaginable. All of a sudden, I heard someone call my name, and the voice said, "Roger, what are you doing here? You're not supposed to be here!" I looked to the left of me because that is where I was hearing the voice. It was then I saw a tall, Caucasian young man. He looked to have been about six feet in height. His hair color was dark brown, and he had a slight mustache. He was tall and skinny, with a long neck. He was staring at me, and said to me again, "Roger, what are you doing here? You're not supposed to be here!" While looking at him, I asked him, "How did you know my name?" He said to me, "I saw you coming here from

the plain.” (He was referring to planet Earth.) He said again, “You’re not supposed to be here!”

Once more, I asked him, “How did you know my name?” Once more he stated, “Roger, please go back. You are not supposed to be here.” I became angry and I demanded that he tell me how he knew my name. He responded, “I’m Bobby! Don’t you remember me? I’m Bobby!” I said to him, “I don’t know anyone by the name of Bobby!” He said once more, “You don’t remember me? I was in your grade-school class, and I sat at your right-hand side in a class taught by a teacher whose name was Mrs. Ritchie.” He began to rationalize with me, but to no avail. In my perplexity, I turned to God for answers. I searched for Him and then I realized that He was nowhere that I could see. I began to walk through those gates, past numerous people. I had become afraid because I did not see God. Walking down this road, the atmosphere seemed to turn darker and darker.

I began to cry. I stopped walking and covered my eyes with my hands. I had become emotionally overwhelmed. Then the Almighty God spoke to me and said, “My peace is with you.” Quickly I removed my hands from my eyes, and there was God standing in front of me. I said, “God, where did you go? Why did you leave me?” He answered, “Fear not! I promised you I would never leave you. I also told you that there would be times that you will not see me. I may be out of your vision, but I am never out of your presence.”

I cannot explain it, but after hearing God say those words to me, I was very comforted. I felt as if though I was being wrapped in a warm blanket. I noticed when I looked at Him, that He was beautifully handsome. I will describe what God looks like to the best of my ability a little later on in this book. When He looks at you, you can see and feel love flowing from His eyes. He said to me, “Come, let’s go; there are many things that I want to show you. I will show you the dark side of Hell.”

As God and I began to walk, I could hear strange noises all around us. The noises sounded like chains rattling, scratching on the wall, animals howling, people crying...and it sounded like something or someone was running in front of us, but I could not see anything. While I walked with God, I held onto His left arm. During the time God and I were walking, I stayed very close to Him.

THE ENTRANCE OF HADES

I noticed we were walking on what seemed to be a rocky black road. Although I could see very little—only what was visible by the light that came from God’s body—I could make out certain things. The road that God and I walked on—its path was very crooked. I noticed also, after walking for some time, that the smell in the air was horrible. It smelled like rotted animal flesh. The whole time we were walking on that rocky road, God never said one word to me...until I had this thought: “This does not look like the Hell that I am used to hearing preachers talk about on Earth. The Hell that I usually hear about is fire and brimstone.”

I was amazed to discover that God knew what I was thinking. We stopped walking, and He looked at me and said, “Would you like to see the fire?” Before I could give an answer, He took his right hand and waved it in the air, and then He pointed his index finger in a direction that was of complete darkness. I noticed as He held out His arm that He had on a white garment with sleeves all the way to His wrists. The hem on the sleeve of His garment was trimmed in pure gold. As He raised His right arm, the sleeve fell down to His elbow. I was amazed to see a hole in the wrist of God’s hand! I thought to myself, “Why in the world would God have a hole in His wrist?” The hole was about the size of a nickel! It reminded me of Jesus’ crucifixion, except Jesus had holes in the palms of his hands as a result of him being nailed to the cross.

As I was reflecting on that, at the wave of His right hand, the entire area where we were standing instantly illuminated with bright light, and it seemed, as I was looking many miles ahead of us, that I began to see tiny lights flickering at a distance. They looked like little cigarette lighters...like tiny flames. For those of you that may have been to a rock or rap concert, or have been able to see one on television, you may have an idea of what I saw. Many times at those concerts, in order to get the audience’s participation, they hand out little candles and let the people hold them up in the dark as they move their hands, swaying back and forth to the music. That is what it looked like. The whole place was lit up with flames! Then God said to me, “Follow me.” God and I began to walk toward those little flames of light. The closer we got to the flames, the taller they became, and the brighter they appeared. The flames were about six feet tall, and were a yellowish-orange color.
